## *20 Wines Under \$20: Whites*

By Shannon Borg , Jake Kosseff

### **Saint Laurent**

#### **Estate Winery 2007 Riesling (\$12)**

This dry Riesling expresses the climate of the Wahluke Slope—long days and cool nights that help develop its ripe grapefruit, green apple and D’Anjou pear flavors while maintaining great acidity and minerality. Winemaker Craig Mitrakul lets the fruit shine in this classic dry wine that tastes pricier than it is. Pair it with: Lemongrass scallops.
